

E-BROCHURE

Mariu

Designed by and built for iconic fashion designer Giorgio Armani, MARIU's interior is the epitome of cool, sophisticated yacht style.

Her decks are exceptional, the perfect place to spend the day, or night. Enormous dining tables will look after all of your friends and family, with beautiful canopies creating cool shade. Above, the large sun deck is spectacular, with teak furniture, a full bar, and Jacuzzi. Forward, on the main deck, lies a more private circular lounge.

MARIU's open-plan interior is rich with texture and tone; leather, richly grained woods and aluminium ceilings contrast the teak floorboards and bleached oak panelling.

With six cabins, five of which are doubles and one that is a convertible, the yacht is ideally set up for families and friends, an elevator connecting all four decks.

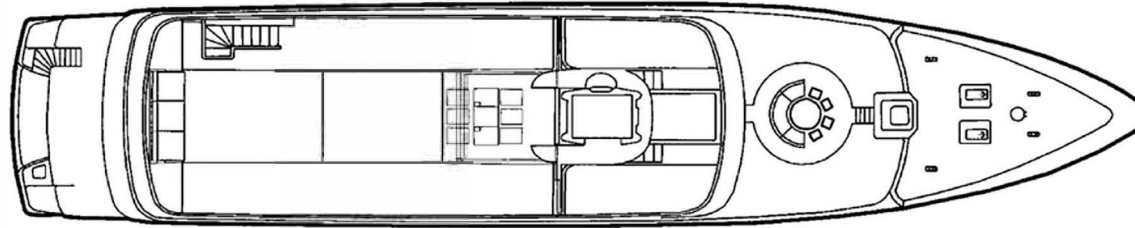

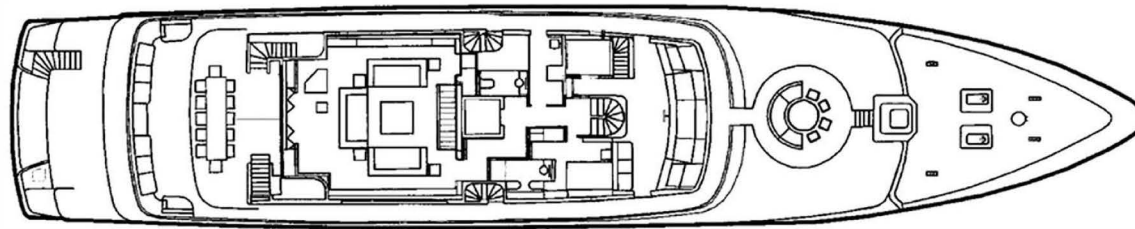

Offering myriad of watersports, MARIU is a RYA training establishment for personal water craft. Temporary licenses for jet skis and waverunners can be awarded to guests, valid for the duration of their stay aboard.
